**JANUARY-FEBRUARY
EDITION -2024
VOLUME-IV**

Principal's Message

"Education is not just about acquiring knowledge, it's about aligning our lives with the essence of existence. "

Dear Students,

As we conclude another enriching session at BMSSS, let us reflect on the profound journey of learning. Each year, we endeavour to instil in you the courage to soar independently while remaining steadfast in your values. May you all aspire to reach the zenith of life, fuelled by your innate potential and passion. Together, let's nurture compassion and unity, embodying the principles of love, joy and service.

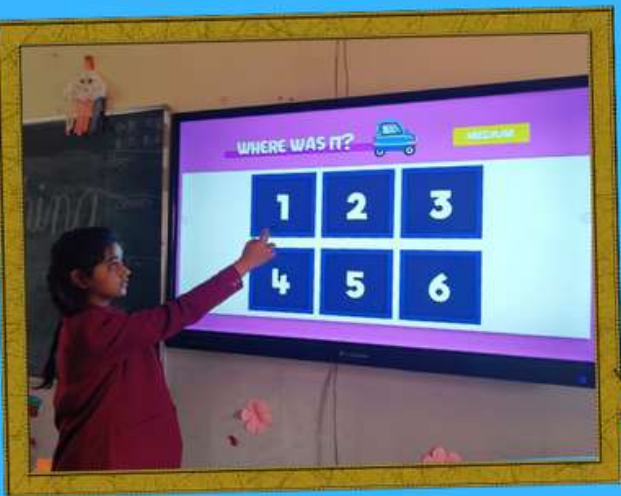

Sr. Divya Thomas

MIND MAPPING

"Engaging minds on January 11, 2024, the Mind Mapping Activity for classes 6th, 7th and 8th aimed to cultivate effective idea generation through associative thinking. This session nurtured creativity and cognitive skills, offering students a valuable tool for future learning."

MODEL UNITED NATION

M

U

N

A Model United Nations (MUN) for middle-class students was organized at the school, addressing the crucial topic of climate change. The event witnessed a flow of innovative thoughts and ideas, fostering insightful discussion among participants.

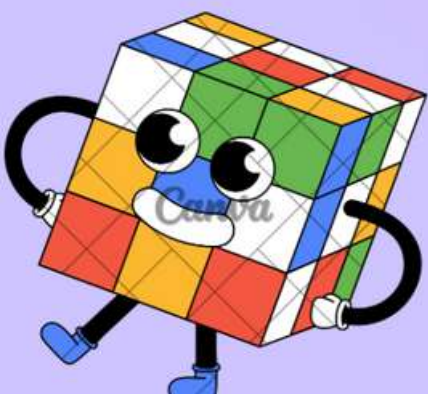

RUBIK'S CUBE

On January 18, 2024 students dived into Rubik's Cube activity, cultivating mental agility and unleashing creativity. Enthusiastic participation marked the event, culminating in triumph for Harshal (1st place) and Preyansh (2nd place). Celebrating intellect and achievement!

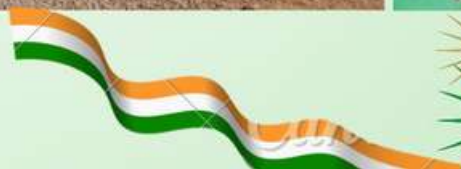

Our school marked India's 76th Republic Day with Splendour. Sr. Victoria representing the management, hoisted the national flag, inspiring students to uphold our nation's integrity. The choir group delivered stirring patriotic song, followed by a school prayer. The event echoed with patriotic zeal, igniting enthusiasm among all participants and fostering a deeper sense of national pride.

Happy
Republic Day

CLAY MODELLING

Clay Modelling fosters creativity, imagination and confidence in pre-primary students. The tactile experience of clay inherently calming. On February 1, 2024 , enthusiastic tiny tots enjoyed bringing their imagination of life through this activity.

CRAYON IMPRESSION

"Crayon impressions offer creative and educational fun, allowing children of all abilities to participate. Pre-primary students engaged enthusiastically on January 19, 2024, enjoying the surprise and benefits of this activity. Their joyful participation highlighted the event's success."

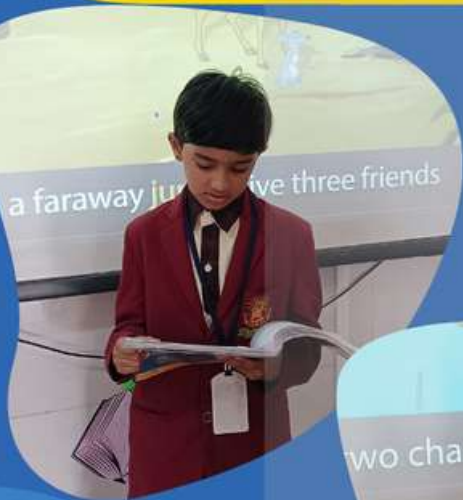

**NEVER
STOP
READING**

READING SKILL

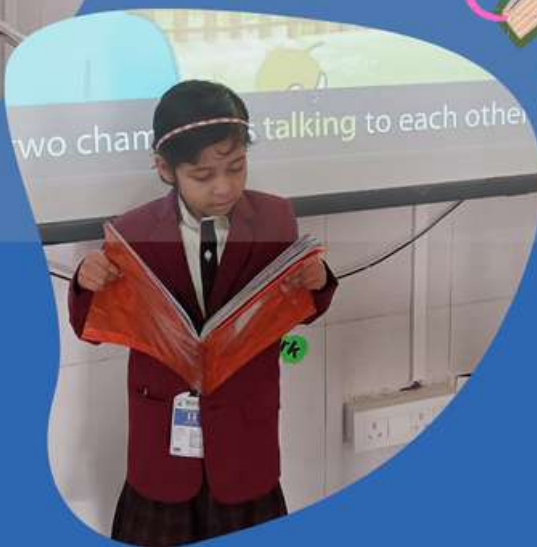

**Reading is
dreaming with *Open eyes***

On 10/1, reading comprehension activity was held for classes I & II . We believe reading should not be a chore but a precious gift. BMSSS prioritize instilling reading habits from start , emphasizing it's importance.

*Just
ONE
more
CHAPTER*

"Education is the key to unlocking the world, a passport to freedom."

On February 10th, our little graduates, resplendent in their attire, walked proudly. Witnessed by parents and guests,

Sr. Divya, the principal, inspired them to pursue more knowledge and skills. They charmed all with a confident rendition of 'We Are Little Graduates' in a delightful program.

GRADUATION
DAY**

KINDERGARTEN GRADUATION DAY

AU REVOIR

"Inspired by Principal Sr. Divya's words, 'Explore, expand and excel, 'the farewell for our inaugural Class 12 cohort on January 6th was deeply resonant. Class 11 orchestrated a poignant reminiscence program, while students express heartfelt gratitude to mentors for guiding them from ABCs to readiness for the world."

AU REVOIR

Nukkad Natak

A Nukkad Natak on January 25th, 2024, emphasized avoiding social media's adverse effect like Twitter and Facebook. Students were urged to prioritize studies over distractions, promoting awareness and concentration.

ROAD SAFETY

Students of class VI, VII and VIII participated in poster making and slogan writing on various aspects of road safety. Road Safety Day was celebrated with the discussion on safety issues by senior officials and distribution of prizes winners in various categories.

- Chetna Patel Class 8
- Saumya Patel Class 6
- Abhya Agarwal Class 7

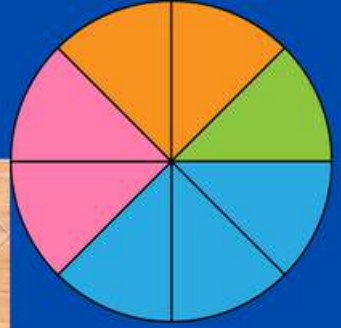

WELL DONE

It was indeed eye opener lecture and students attentively and enthusiastically participated in slogan presentation.

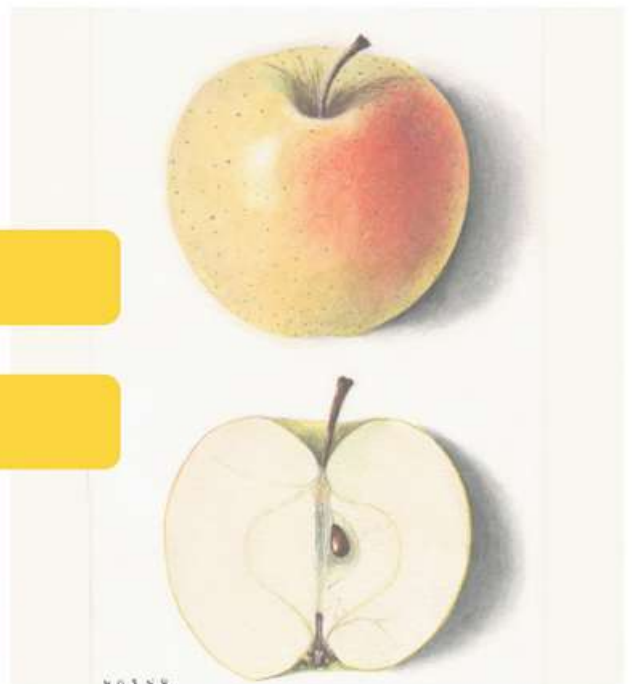

FRACTIONAL

"Delightful learning on January 17,2024,as classes 1&2 explored fractions through food fractions. Students demonstrated halves, quarters and eighths with delicious items like pizza, bread and fruits. This hands-on activity enriched their understanding of fractions with real-world examples. "

VEGETABLE PRINTING

PRE-PRIMARY STUDENTS RECENTLY DELIGHTED IN A CREATIVE VEGETABLE PRINTING ACTIVITY, EXPLORING DIVERSE TEXTURES AND HUES. THIS HANDS-ON EXPERIENCE NURTURED IMAGINATION AND FINE MOTOR SKILLS DEVELOPMENT IN A JOYFUL ATMOSPHERE, ALLOWING CHILDREN TO EXPRESS THEIR ARTISTIC FLAIR AND ENRICH THEIR LEARNING JOURNEY.

THANKS GIVING

DAY

*Truly
Grateful
for you.*

**"Gratitude turns what we have into enough"-
On February 23th ,
BMSSS dedicated to
express gratitude.
Students, brimming
with appreciation,
thanked mentors and
companions class wise
for their Year-long
journey together. This
activity aims to
cultivate grateful
hearts, multiplying
joy twofold.**

GRATEFUL

BE THANKFUL
BE GRATEFUL
BE BLESSED

SOCIAL MEDIA - **A FRIENDLY DEMON**

The school organized the "Social Media- a friendly Demon" activity on February 13th, 2024, for 11th and 9th -grade classes. Students learned about the dual nature of social media, offering both connectivity and potential harm. Emphasis was placed on maintaining a balanced lifestyle, with Raghav Rathi (9th grade) and Vidhya Bharadwaj (11th grade) secure the top positions.

THANK
you **For**

Reading!
